

## KOURSE KORRECT

2023 year recap | 2024 goals setting

“Life is not a problem to be solved,  
but a reality to be experienced.”

*Soren Kierkegaard*

While challenges are an inevitable part of life, may we remember that with God by our side, they serve as opportunities for growth and wisdom, allowing us to create heaven on earth. Thank your past self for getting you here today, pray for your future self, and live consciously in the present because it is in the present that you will see God's presence.

Happy New Year!
